Dear Sir, Madam,

Today we, Kalliste Woningbouwontwikkeling, proudly launched the sale of the '*PUUR Wonen in Meerhoven*' project. 56 PUUR sustainable homes in a green living environment. The homes' cross-laminated timber (CLT) structures and connections to the biomass power plant are but two of the countless features that render PUUR an exceptional project.

Originally established in Eindhoven, Kalliste Woningbouwontwikkeling has been developing housing projects throughout the Netherlands for quite some time. We lend our clients a willing ear and do our utmost to translate their wishes into the homes and living environment we create. "If every person is unique, then their home should be, too."

Please find enclosed our brochure containing detailed information about the homes, the price list and the sales procedure. The specific drawings of each of the properties and all other sales information are available digitally on the project website www.PUURWoneninMeerhoven.nl

Registration procedure

The procedure for registration is as follows: registration has to be carried out using the registration form contained on the website. The form has to be completed in full and submitted by **12:00 noon on Thursday 25 June 2020 at the very latest.**

You may register for more than one of the homes. In the event that several interested parties register for the same home, then lots will be drawn for the property in question. Please consult the attached sales procedure for details of the conditions applicable.

Those (people) who are ultimately drawn will be informed of the outcome by telephone on **Friday 26 June 2020** at the latest. Please keep your diary close at hand to be able to immediately make an appointment for a sales meeting. The sales meetings will be held between Monday 29 June and Friday 10 July. Within five days after the meeting, you need to inform us whether you wish to proceed to sign the combined purchase agreement and building contract or to waive the option.

If you are not drawn, however, you will be placed on the reserve list. You will receive confirmation by email on **Tuesday 30 June 2020** at the latest. No further correspondence will take place regarding the outcome of the draw.

When proceeding to sign the combined purchase agreement and building contract, you need to have been issued positive initial financial advice by either Freek Hypotheek Eindhoven or your own financial consultant.

We trust to have been of service to you in providing this information. If you have any further questions or doubts, please do not hesitate to contact us by email via eindhoven@kalliste.nl or telephone +31 - (0)88 - 100 9500.

Kind regards,
Team PUUR Wonen in Meerhoven

Franc Duijnker
Property Developer Kalliste
